

QLSRA Race Bond fee

The Bond fee is for all driver/ members racing with QLSRA, the grounds for the fee is help prevent drivers from nominating for a race meeting and then failing to show without a legitimate reason. This bond was introduced two seasons ago through the help of John Kelly to ensure our nominations would carry through to the race meeting.

Rules associated with the Bond fee.

1. All new racing members must pay this fee when joining the QLSRA.
2. Existing members who have already paid the bond fee from the previous year will have the fee carry over to the next season
3. If you nominate and fail to show at the race meeting without a legitimate reason, you will be required to pay the bond fee before you can race again.
4. If you do not nominate for a race meeting and show up to race. You will be able to race, you will be placed in the field as per normal for two race meeting, after the second time if you fail to nominate and show up to race, you will start all races at that meeting from the rear of field.

Thankyou

QLSRA
